

COLVILLE
COMMUNITY HEALTH TRUST

Kia ora koutou,

We would like to welcome our new Trust Manager, Rebecca Roe

Kia ora

It is an honour to be working with the Colville Community Health Trust and to have a part in serving the community of this stunning region. As I continue to learn more about the needs of the community and Trust, I see already, a strong commitment toward the self-endurance and resilience of the people who live here which is admirable and exciting to be a part of. I am hopeful that the knowledge and experience I bring with me, can enhance this. I look forward to meeting you!

Rebecca comes with a wealth of knowledge and experience, we are excited to have her on board.

Thank you to everyone who completed our survey sent out in September, these responses provide valuable feedback and allow us to understand how to best meet the needs of the community regarding health facilities and services.

By the time the Panui is printed we will have held our strategic planning meeting with Sarah Gibb from Community Waikato to update our Strategic plan, We will give an update in the next issue of the Panui

We would like to thank the Community Organisation Grants Scheme (COGS) for their support with running costs for the year.

If you have any suggestions or ideas for fundraising you can contact Rebecca on manager@colvillehealthtrust.co.nz or ph 021 703 772
